Zonal level sports meet

Date: 03.01.2015 to 06.01.2015

As a part of NSS activities, we have been providing services to our adopted school, ZillaParishad High School(ZPHS), Vejangla for the past three years & helping them in all aspects (like helping academics for school students, infrastructure for school developing, health hygiene for school students etc.). Head Mistress of this school has requested us to sponsor the part of the expenses in organizing the Zonal level sports meet (Chebrolu, Chundururu, Amarthluru and Vemuru Mandal's) for school students at in their school from 03/01/2015 to 06/01/2015. To arrange food (lunch+dinner) for participants. Our Management has decided that preparation of food will be held at Junior college campus & arrangement of food will be held at University campus (i.e. at Pharmacy college shuttle court).

Swatch Vignan

Date: 03.02.2015

The NSS Unit of Vignan's University organized SwatchVignanProgramme in University premises on July 30. Their main focus was on clearing the vicinity of the college canteen which was in a pitiable state with the help of the workers and the students. At the occasion, the chairman, Dr.LavuRathaiah, said that we all must remember the importance of proper hygiene. Cleanliness is a virtue that starts from self and reaches out. The main motive of this programme is to be responsible for keeping ourselves and the surroundings clean and the motivation for this should come from within and not without. Registrar Dr. M. S. Raghunathan& NSS Program Officer Prof. K. V. Krishna Kishore actively participated in this program with NSS team. Both urged the participants to put in their sincere efforts and not to execute it just to get photographs clicked or for boasting. NSS Program Officer & the Registrar appreciated NSS volunteers for executing the programme successfully.
