by Subject 2023: Engineering

You are viewing a past edition of our rankings.
Explore the latest ranking: Engineering

The engineering subject table uses the same trusted and rigorous performance indicators as the *Times Higher Education* World University Rankings 2023, but the methodology has been recalibrated to suit the individual fields.

It highlights the universities that are leading across the following disciplines: general engineering, electrical and electronic engineering, mechanical and aerospace engineering, civil engineering and chemical engineering.
