Explore the 2025 *Times Higher Education* Subject Rankings for Engineering.

The Engineering table evaluates universities across five core disciplines: general engineering, electrical and electronic engineering, mechanical and aerospace engineering, civil engineering and chemical engineering. This year's rankings include 1,488 institutions from 97 countries and territories, which have been assessed based on 18 rigorous performance indicators. These are the same trusted metrics that are used for the *THE* World University Rankings 2025, but the methodology has been recalibrated to suit the discipline.
