– University Sustainability Rankings

Published on: 24 June 2026

The *Times Higher Education* Sustainability Impact Ratings (previously *THE* Impact Rankings) is the only global ranking measuring how institutions worldwide advance sustainability in line with the United Nation's Sustainable Development Goals (SDGs).

The 2026 rankings evaluate 1,646 universities from 116 countries and territories across 17 individual SDG tables and one overall ranking. Read the full methodology here.

Key insights: Sustainability Impact Ratings 2026

- University of Manchester in **United Kingdom** is number one overall
- Griffith University in **Australia** is second overall
- **Australia**, **Malaysia** and **Canada** each have two top 10 universities in overall ranking
- New countries in the rankings are **Mali, Nicaragua**, **Niger** and **Tajikistan**
- **Philippines** has the most universities in the ranking, 160

The overall ranking table reveals the most sustainable universities from across the globe.
