74th INDEPENDENCE DAY CELEBRATIONS

Date: 15-08-2020**Venue: H-BLOCK (OAT)****Timings 9:00AM to 10:00AM**

VFSTR celebrated Independence Day with unprecedented patriotic fervor on Aug 15, 2020. The gamut of celebration commenced at 9:00 AM following all the safety measures, to mark the moment that demanded the blood and lives of hundreds of freedom fighters, now completes 74 years today. With decades of British Raj coming to an end, India did certainly awaken to new life and freedom, as was said by Pandit Jawaharlal Nehru, in his famous speech. Reminiscing the sacrifices by the great leaders, everyone contributed towards the preparations and the celebrations began. Honorable Vice-Chancellor, Dr.M.Y.S Prasad, hoisted the National Flag and appreciated all the staff members for acting responsibly during this pandemic and giving their best efforts for educating the students and urged them to take pride in being an Indian and fulfilling one's duty with responsibility. The Registrar, Cmde. Dr.M.S.Raghunathan, mentioned that our institute has decided to honor the freedom fighters by visiting them at their house. Honorable Chairman Dr.Lavu Rathaiah, addressed the gathering, elucidating what it took for our nation to achieve Independence and how every citizen should act in order to

CRAFT ATTACK - LOCKDOWN ACTIVITIES

Date: 14-6-2020 to 16-6-2020

The only nation everyone is visiting this quarantine is imagination. Keeping those all imaginations in one place can form a different kind of art. Craft is another form that needs to be noticed where to stop. Team quarantine activities organized a competition regarding the creation and the arts. On a count of 24 entries were noticed. Every entry is flawless. Each individual in the race gave a strong fight to the competitors. And to be reported everything in this competition took place online. Judgment was indeed a tough decision to be taken as the participants gave a face to face competition. At the end of the day, there should be only one victor. Declared results are as mentioned, winner for this is K. AHIMAMSH and the first runner-up for the day is I. LEENA MANASA, the second runner is grabbed by A. THANMAYEE. Acceptable recreation finished up with a positive riposte.

MOVIE REVIEW - QUARANTINE ACTIVITIES

Date: 6th May, 2020

In this 2020, this pandemic has changed entire life style and at the same time it is very helpful for lightening up our own talents. To improve the skills of students team quarantine activities conducted a competition based on the movie review, the participants need to write the review of the movie or web series of any language but the review must be written in English. The main theme of the competition was to gave the participants to review their most inspired movie. The peculiarity of this movie review is not to simply evaluate the movie but gives very specific opinions which were the foundation. A total of 50 students were participated in this competition. All the participants submitted their reviews in the form of pdf format. The decision for grabbing the prizes was difficult to decide as the competition was fired up by the ideas of students. The 1st place was occupied by Manyu, Hussian was the 1st runner and P. Vamsi Krishna stood as second runner.. Everyone gave a tough competition and it ended up with positive vibrations .

DARK NIGHT TRILOGY REVIEW :

WHEN WE TALK ABOUT A FICTIONAL CHARACTER, IT MAY BE A SUPERHERO OR A VILLAIN HOW INFLUENTIAL THAT CHARACTER IS DEPENDS ON TO WHAT EXTENT YOU CAN RELATE TO IT. BECAUSE IF YOU DON'T RELATE TO THE CHARACTER WELL, THEN ALL THE QUALITIES DON'T RELATE WHICH INSPIRE YOU, YOU WILL NOT TRY MUCH TO IMBIBE THOSE QUALITIES IN YOUR LIFE. THE CHARACTER WILL REMAIN NOTHING MORE THAN JUST AN INSPIRATION FOR YOU. YOU WILL NEVER ASPIRE TO BE LIKE HIM.

THEN WHICH TYPE OF CHARACTERS WE ASPIRE TO BE? AND HOW DO WE RELATE TO THEM?

WELL, WE DON'T RELATE TO CHARACTER WHEN WE LIKE THEIR QUALITIES OR THEY HAVE SAME AMBITIONS AS WE HAVE OR WHEN WE ARE INFLUENCED BY THEIR POWER.

WE RELATE TO CHARACTERS WHEN THEY HAVE THE SAME WEAKNESSES AS OURS, OUR MISTAKES OR SAME, HE IS ALSO LIMITED AS WE ALL ARE, BECAUSE THEN YOU CAN REALIZE THAT HE DOESN'T HAVE ANY MORE ADVANTAGES THAN YOU HAVE. ONLY THEN WE ARE ABLE TO FORM A STRONG CONNECTION WITH THAT CHARACTER, WE MAKE AN EFFORT TO IMBIBE THEIR QUALITIES IN OUR OWN LIFE.

BATMAN IS ONE OF THESE CHARACTERS, WHO IS NOT JUST AN INSPIRATION BUT AN "ASPIRATION" SOMETHING THAT WE ALL WANT TO BE. BATMAN IS A BELIEF TO TURN TRAGEDY INTO AN MOTIVATION, A BELIEF TO TURN FEAR INTO STRENGTH AND DARKNESS TO ALLY.

HE ALSO STRUGGLES WITH SAME THINGS AS I AND YOU STRUGGLE IN OUR DAILY LIVES.

WHEN WE ARE TALKING ABOUT BATMAN AND WE DON'T TALK ABOUT FEAR, IT'S IMPOSSIBLE SCENARIO. FEAR IS CENTER TO BATMAN'S PERSONA, HE IS PERFECT SUBJECT TO UNDERSTAND FEAR.

WE ALL KNOW ABOUT FEAR BECAUSE WE FEEL IT AND FEEL IT EVEN TODAY. YOUR CHILDHOOD FEARS, OUR TEENAGE FEARS AND ADULTHOOD AND OLD AGE FEARS ARE ALL DIFFERENT FROM ONE ANOTHER. BUT COMMON THING IN ALL THEM IS WE FEAR FOR THE THING THAT WE DON'T UNDERSTAND. IN SOME WAYS FEAR IS A SLACKOUT AND DARKNESS. IN THE SAME DARKNESS COMES BATMAN.

AS A CHILD WHEN BRUCE WAYNE FALLS INTO THAT CAVE HE FILLED WITH PHOBIA OF BATS.

WHEN YOUNG BRUCE GATHERS THE COURAGE TO FIGHTS THE BATS, THEN HE REALIZE THAT THE THING HE WANTS TO DO IN HIS LIFE THAT ANSWER LIES IN HIS FEAR. THE FEAR WHICH HE USED TO RUN AWAY FROM, HE NOW USES IT TO SCARE CRIMINALS.

SOME TIMES FEAR IS REALLY VERY IMPORTANT TO GET AHEAD IN LIFE. ESPECIALLY "FEAR OF DEATH"

IT IS ULTIMATE FORM OF MOTIVATION. SOME TIMES WHAT YOU FEAR IS INDICATION OF WHAT YOU SEEK.

THERE IS A QUOTE BY KUMI "THE CAVE OF FEAR HOLD TREASURE YOU SEEK".

IN FEAR LIES THE BEAUTY, THERE LIES BLISS, AND PERHAPS THE ANSWER THAT YOU ARE SEARCHING IN YOUR LIFE.

SUPER 30 REVIEW :

THE MOVIE 'SUPER 30' DIRECTED BY VIKAS BAHU IS A TRUE STORY OF THE MATHEMATICS WIZARD 'ANAND KUMAR' WHOSE ROLE IS PLAYED BY ONE OF THE BEST ACTORS OF INDIA, HITIK ROSHAN. IT IS A STORY OF A TEACHER WHO EDUCATES MANY POOR CHILDREN TO GET INTO IIT.

ANAND KUMAR/HITIK ROSHAN WAS BORN TO A MAN WORKING IN A POST OFFICE. ANAND HAS A DEEP INTEREST IN MATHS AND GETS AN ADMISSION INTO CAMBRIDGE BY PUBLISHING A SOLUTION TO AN UNSOLVED PROBLEM. DESPITE HIS POVERTY, HE COULDN'T AFFORD ITS FEES. ALSO NO ONE HELPS HIM. THE OTHER DAY HIS FATHER EXPRESSES HIS ANGER/WRATH. SELLING PARASOLS TO EARN MONEY.

AT A PARTICULAR HEART BREAKING SCENE, HIS ACCEPTANCE LETTER IS USED AS A WRAPPER AND THE CUSTOMER CARELESSLY DISCARDS IT INTO THE WASTE.

ANAND'S LIFE GETS CHANGED WHEN LALLAN SINGH WHO RUNS A COACHING CENTRE FOR IIT WANTS HIM TO TEACH AT HIS INSTITUTE.

BUT AT ONE POINT OF TIME HE MEETS A STUDENT WHO WANTS TO STUDY IN HIS INSTITUTE BUT COULDN'T AFFORD. HE REALISES THAT THERE ARE MANY POOR ANAND KUMAR'S WHO ARE CAPABLE OF READING BUT COULDN'T TAKE COACHING BECAUSE THEY COULDN'T AFFORD IT.

THEN ANAND KUMAR STARTS HIS OWN FREE COACHING INSTITUTE 'SUPER 30' AND OFFERS FREE COACHING TO THE POOR STUDENTS WHO WANT TO GET INTO IIT. HE RECRUITED 30 POOR STUDENTS LIKE ONE WORKS IN MINING AND ONE CLEANS THE SEWAGE AND THE OTHER DIGGING PAPERS FROM A GARBAGE. HE RECRUITED TOP 30 STUDENTS THROUGH AN ENTRANCE TEST. HE TEACHES THROUGH REAL LIFE INSTANCES AND EDUCATE THEM BETTER.

LALLAN SINGH ATTACKS ANAND KUMAR AND HIS STUDENTS AS THE SUPER 30 GAINED ITS POPULARITY THAN THE EXCELLENCE ACADEMY RUN BY LALLAN SINGH BUT THE STUDENTS USED THE INSTANCES TAUGHT BY ANAND KUMAR AND DEFEAT THE THUGS.

THE D-DAY COMES WHICH IS THE IIT ENTRANCE EXAM. ALL THE STUDENTS EXCEL IN THE EXAM AND ALL THE 30 STUDENTS MAKE IT INTO IIT.

UNDER THE GUIDANCE OF MATHS WIZARD ANAND KUMAR, HIS SUPER 30 TURNED OUT TO A MIRACLE.

HITIK ROSHAN PERFECTLY PORTRAYED THE ROLE OF ANAND KUMAR AND VIKAS BAHU'S DIRECTION TOOK THE MOVIE TO A GREAT EXTENT. THE MOVIE GOT APPRECIATION FROM P.J. NARENDRA MODI WHO PERSONALLY APPRECIATED HITIK ROSHAN AND VIKAS BAHU.

HOW IT MOTIVATED ME:

WHEN I WAS STUDYING JAY INTERMEDIATE, I WAS ADDICTED TO THE PASSION OF TEACHING. SO I WANT TO BECOME A MATHEMATICIAN AND TEACH IN THE COACHING INSTITUTES. SO I WAS ATTACHED TO THE MOVIE AND SEEN MYSELF TEACHING LIKE THAT. THOUGH I DIDN'T MAKE INTO IIT, I CAN MAKE MANY STUANS BY TEACHING.

THIS IS A MOVIE REVIEW ON STORY OF MATHEMATICIAN BY THE ONE WHO WANTS TO BECOME A MATHEMATICIAN :-)

PHOTO EDITING - QUARANTINE ACTIVITIES

Date: 29th April, 2020

One can form any composition with minimum efforts but to edit, one needs a lot of ability. VFSTR SAC team thought of testing that ability by conducting a photo editing contest. And got succeeded by eliciting a large number of people towards this competition. On a count of **52** participants rolled into this and gave their actions. Every edit is thought-provoking. Some modifications are like, yes we can also consider this angle as well. Greatly all who put up with potential were appreciated. Depending upon the theme and clarity of the message they are willing to convey, judgment was finalized. Declared results are as mentioned, the winner of this competition is CH. PAVAN SAINADH REDDY, and SUNDEEP K, MOHAN SAI SRUJAN, T.KENNETH JOHN stood as first, second, and third runner up for this race respectively. This competition stood as a highlight for the day with a great retort.

COOKING (DURING LOCK DOWN)

Date: 19th April, 2020

Lockdown had given rise to cooking skills in almost everyone. Here are the team lockdown activities that succeeded in bringing out the invisible chef by organizing cooking activity. A total count of 15 took active participation. Rules to be followed for this activity are participants need to send the name of their dish by attaching a photo of the ingredients required along with the ready picture to serve the dish. As noted by everyone this activity took place completely online. Participants sent various dishes including breakfast, brunch, snacks, starters, desserts, etc. In the image itself, the dishes are flavorsome. As it is an activity, not a competition there are no defeaters. Everyone took off to some cookery kingdom by sending distinct cuisines. This fun-filled activity came to end by 9 pm with an enormous reaction from everyone.

CORONA.

*Like a halt to this bustling world,came a phantom
from the east.*

*Mighty nations of west were trounced by that
ferocious beast.*

*Travelling, social gathering and hand shakes now
became an offense.*

There is no cure, inspite of putting all your mense!

But, the best part is nature began to mend.

Don't know when this pandemic gonna end!!

SRUJANANKURA-2020

Srujanankura 2020 - An National Technovaganza organized by VFSTR Deemed to be University. It provides a platform to the students to showcase their technical prowess in various disciplines. This event consists of several activities like Paper & Poster Presentation, Project Expo, Technical Quiz and Business Plan. The main focus of Srujanankura 2020 is to benefit the scientific student community who are eager to change the world with their technical skills.

The most awaiting fest Srujanankura 2k20, a technical extravaganza was held on 13th March, 2020 had been a eye fest. Students from various institutions across the nation took part in this fest by exposing their innovative thoughts and ideologies in the form of the projects. The day started with a fresh effervescence. As a part of it, the day started with inauguration. The honourable guest of honor to this event was Dr. K. Pavan and E. S.Chakravarthi was the chief guest for this occasion. Dr.Lavu Rathaih(Chairman) , K. Ram Murthy Naidu (chancellor), M.Y.S Prasad(Vice-chancellor), Deans, Hods, faculty members and student presence in the convocation hall seems to be festive look. All the dignitaries lighted up the lamp. VFSTR again proved that their rich importance of culture in India by starting the event with Chanakya slogan and then followed by classical dance. M.S.S. Rukmini(Dean of student affairs) stepped first to give the speech. She addressed about Srujanankura events and appreciated the concept of conducting this technical event, providing a fortune to each student to expose their innovative skills. She mentioned a great count of 3348 students registered to take part in this technical extravaganza. Then speech was followed by our honourable chancellor, K. Ram Murthy Naidu, expressed his happiness for taking part of this event. He also remembered the visiting of the India's proudest personality and Nobel peace prize awardee, Dr. Kailash Satyarthi. He suggested the participants in the project expose to attract the visitors with the excellent descriptions about their projects. Formerly the mike is handed over to our honorable chairman, Dr. Lavu Rathaiah Sir. He added that the VFSTR is providing this great opportunity to present the innovative ideas of the students which can also enhance the audience to inspire and innovate and explained the purpose of doing projects.

Srujanankura 2020 is inaugurated on 13th March 2020 by the Chief Guest Dr. K. Pavan (Young Scientist) CEo & Managing Director, Pavan Empower Soutions and Guest of Honour Mr. E.S. Chakravarthy, Global Head, Resource Management Group (RMG), Tata Consultancy Services (TCS).

"Be a Problem Solver" - E.S Chakravarthy

In this inaugural session Mr. Chakravathy suggested students to be problem solver and make problem solving as a daily hobby. In this session he raised 3 three questions, what is industry is all about, what is the purpose of education and what is the purpose of Engineering Education? He said that we are in the era of Industry 4.0, an era of IOT, Knowledge management and making machine to become humane in nature. He stated that the purpose of education is to follow 4 outcomes and these outcomes should make a student confident in individual life, make the person an individual contributor, make an individual a self learner and self directed learner and the last outcome should make us a concerned civic citizen. He then mentioned that the purpose of engineering educations is to make every student a problem solver.

“Innovate to solve your problems” – Dr. Pavan

Dr. Pavan CEO & Managing Director, Pavan Empower Solutions, came from an agriculture family and made more than 30 innovations which will help and solve everyone's problems in day to day life. On his visit to Vignan University he stated that he got inspired by Honourable Chairman Dr. Lavu Rathaiah. In this inaugural session of Vignan's Srujanankura he shared many his experiences he came across in his life. In 2002 he produced his own electricity supply by windmill to his house; he later started an FM station with just 75 rupees for a radius of 10 kilometres. “A death incident in my village while switching on motor in wet field made me to work on distant remote access for switching on the motors and after dismantling my father's mobile and television for 200 times and, I innovated a new technology for switching on motors, fans, doors and other house hold things and for this I got a special appreciation by Dr. APJ Abdul Kalam”, stated Pavan. After the drastic children's bus accident in Nellore, I invented Solar automatic Railway gates which will close automatically while the train is at a distance of half km and closes after the train goes up to half km and for this the AP State cultural committee award me with best citizen award and I also received Prathibha Award for Security Innovations for women and house hold safety. He also mentioned that he got an offer from Germany company with a sound package but he denied the offer and started Pavan Empower solutions by taking 10 lakhs loans with two employees and now the company is providing work for 30 members and is running on 3 crores turnover. “A seventh class dropout and who completed tenth class for three years and who did a Degree in correspondence has done this much, you all being in Vignan with high facilities should achieve more”, mentioned Dr. Pavan to inspire the students.

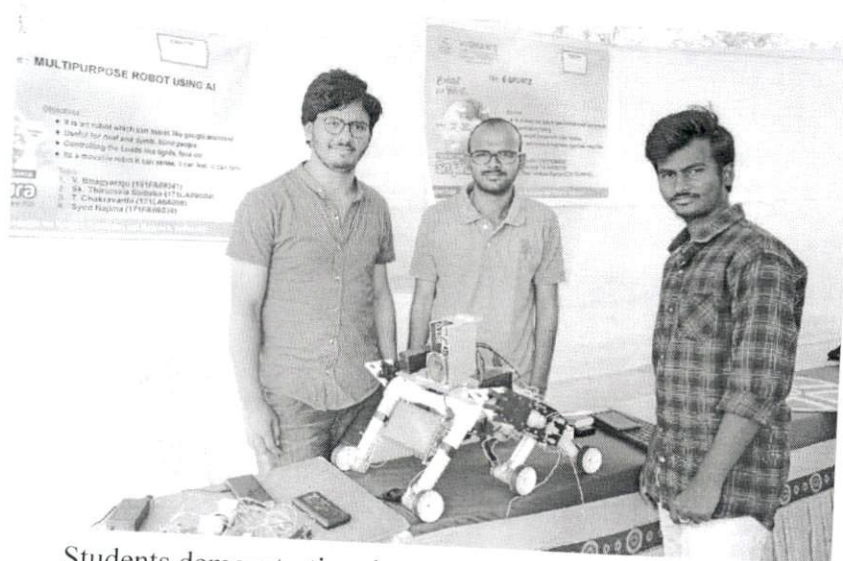

Shri. J. Durga Prasad, Founder & CEO of Grama Bazaar visited varsity on 14th March for the valedictory program. On his visit to Vignan University, he examined the science projects displayed in the tech extravaganza. He appreciated the hard work and dedication of the students. He expressed that each and every project that are displayed are extremely advanced and have futuristic values. “Don't limit yourself and push your limits and note that sky is your limit”, quoted Durga Prasad. He enlightened students about the pathway and motivated students for

successful rural entrepreneurship. He also empowered youth on the innovations of the knowledge rich and educationally poor grass root level innovations.

Event concluded by the felicitation of Guest of honor, Dr. Pavan Sir and chief guest E.S. Chakravarthy and Shri. J. Durga Prasad. Varsity Chairman Dr. Lavu Rathiah, Vice Chancellor Dr. M Y S Prasad, Registrar Dr. M.S Raghunathan, Rector Dr. K. Satya Prasad, faculty, research scholars and students attended this event.

Week Long International Women's Day Celebrations

The week-long celebrations of International Women's Day took place from 2nd to 7th March with great gusto and fervor at Vignan's Foundation for Science Technology & Research (VFSTR), Guntur, A.P.

2nd March Event - Workshop on Smart Technologies for Safer Cities (Application for Awareness on Women Safety Application, Safetipin)

An awareness program on women safety with the help of mobile application has been conducted under the auspices of Women Empowerment and Development Cell (WEDC) of the varsity under the stewardship of Dr.Usha Rani, Chairperson, WEDC, VFSTR.

The resource person, Ms. Ankita Kapoor, Project Associate of Active Learning Solutions Pvt. Ltd conducted the workshop .She spoke about the safety of women, problems regarding identifying the black spots in cities and how the Safetipin applications help to build safer cities for women. She gave a detailed overview of how this application works. Active Learning Solutions Pvt. Ltd has been working since 2013 and have collected data in over 40 cities in India and globally. The organoisation has helped strongly in building an evidence base using data. Safetipin has three apps for data collection on factors affecting women's safety at night. The first method **My Safetipin app**, is used to collect crowd sourced user audit data. Currently , it has more than 100,000 downloads of the app. "**The Safetipin Nite app** is used to capture photographs along with their location coordinates. **Safetipin Site**, the third app can collect customized data. Safetipin is the only system that collects night-time data and has evolved into an approach for data collection, analysis and representation. Safetipin is a global partner of UN Habitat's Global Network on Safer Cities. Safetipin has now collected data in more than 30 cities in India and outside. In Delhi, it has been used by women and girls in low income neighbourhoods to map their safety and advocate for changes. We have received several awards including the Dubai International Urban Best Practices Award, Global Urban Innovation of New Cities Foundation

Grand Celebrations of International Women's Day on 7th March 2020

VFSTR has celebrated proudly the "International Women's day" at the Sangamam Seminar Hall on 7th March 2020. It celebrates the unique strength of women that is hard to find in the rest of human existence. Ms. Krishna Hasa Yellamancaili, Chief Digital Strategic

Consultant, Adobe India and Ms. Purnima Mandava, CEO of WOW Fitness Centres, were the invited celebrities and guests for the event. Key university dignitaries, Vice-Chairman & Member of Parliament, Sri Krishna Devarayulu, Rector of VFSTR, Dr. Satya Prasad and Registrar Dr. C. Raghundhan also graced the event.

Initiating the event, the Chairperson of WEDC, VFSTR Dr. N. Usha Rani informed the gathering that International Women's Day is a global day and is celebrated in most parts of the world to take conscious cognizance of the unprecedented achievements of women, irrespective of which section of the society they belong to. She presented a brief report on the year long activities that are organized by WEDC and expressed satisfaction that the university had close to 50% of women students and that the women faculty were very active both on the research and administration front in addition to academics. The Vice-Chairman of VFSTR & Member of Parliament, Mr. Krishna exhorted the students to explore technical projects which have social relevance and try to make difference to the world. The Rector, Dr. Satya Prasad greeted the gathering and hoped that women faculty will make greater strides in research in the coming year. He hoped students will take the spirit of womanhood and shine in all walks of life.

Chief Guest, Ms. Sri Krishna Hasa briefed the student and faculty gathering on the advances in industry and plethora of opportunities open to them in the technical and business world. She asked them to become savvy in the digital applications to be able to take their careers to the next level. Guest of Honour, Ms. Purnima Mandava advised students not to blindly ape the western culture but draw strength from their own culture. Those who are rooted in their culture will be more confident and happy in the modern stress ridden world. She added that the answer is not for men and women to try to be alike. All men and women must be themselves, realizing that God has given each of us unique abilities with which to pursue our goals, and that our primary responsibility is to take full advantage of those abilities. She reminded that man and woman should play complementary roles without competing with each other. Women have greater empathy. Men are physically more robust and usually more aggressive and externally oriented. "Let's celebrate the incredible strength of women to strengthen the foundation of the society," she concluded. Speaking on the occasion, Registrar, Cmde. Dr. M.S Ragunathan lauded the Women Empowerment and Development Cell of VFSTR which celebrates every function in an effective and grand way.

The speeches by the guests were followed by prize distribution to the winners of various competitions in the sports, cultural and creative categories. The WEDC also gave away Women's Day token gifts to the sub-staff, about 83 women cleaning staff of VFSTR in appreciation for their year long services being rendered to the university. The programme concluded with felicitation of the guests and Vote of Thanks. It ended with the singing of national anthem. Subsequently refreshments were served to the 437 participants of the event.

Mahotsav

03.02.2020

The objective of education is not just to impart academic knowledge, but also to ensure the overall development of the students. Education is complete and achieves its purpose only when the students become equipped to meet the challenges in every field of life, be it Educational, Social, Economical or Cultural. "The **Vignan Mahotsav**" a **national level youth festival**, organized annually by the **Vignan University**, provides an unparalleled forum for all the students across the country to test and showcase their intellectual, athletic and artistic powers hidden in them. To grace this event India's decorated Doubles Badminton player, Arjuna awardee, Ms. Jwala Gutta as guest of Honor and Divisional Chief Executive of ITC Agri Business, Mr. Sanjeev Rangrass as Chief Guest were invited to the varsity. The event started with Bharatanatyam dance performance by 150 students of Vignan University and then the chief guest Mr. Sanjeev flamed the torch which represents the "endeavour for protection and struggle for victory". "**Sports is the need of the hour**" – **Jwala Gutta**. On this occasion Jwala Gutta said that this reminded her college days by seeing all the young students. "I missed my college days and academics running after my goals and success, so I made sure that my sister won't miss the college life" said Gutta. "**Vignan proved me wrong**" – **Mr. Sanjeev Rangrass**". "I had an impression that Andhra Pradesh gives less importance to sports, but Vignan proved me wrong" stated Mr. Sanjeev Rangrass, Divisional Chief Executive of ITC Agri Business. "Sports will provide you confidence, which will help you to grow" said Varsity Vice Chancellor for the valedictory function. On this occasion V.C said that, every student should show interest towards sports and spend at least an hour daily for sports and physical fitness. "Growth of sports can make the Nation the strong" he added. He suggested students to maintain sportsmen ship during the events and the sportsmen spirit will also help everyone to achieve heights in ones career. He also mentioned that Dashing Director, Anil Ravipudi and Dhronacharya Awardee, Coach Nagapuri Ramesh will be attending as the chief guests for today's Valedictory. A gigantic crowd of participants in each event gave festive look to the campus. On this day sports competitions for both men and women like basketball, throw ball, volley ball, table tennis doubles and singles, kabbadi, chess and kho-kho took place as an eye fest to the viewers. 100 metres, 200metres, 400metres, 800 metres, 4x100 relay and shot put were also held under track and field sports throughout the day. The event ended with the distribution of prizes to the winners and runners.

REPUBLIC DAY CELEBRATIONS

Date: 26-01-2020

Venue: Sports ground

Time: 09:00 AM

26th January is a day on which every Indian heart fills up with patriotic fervour and immense love for motherland. It was this day that our Indian Tricolour was first unfurled. Like every year VFSTR has organised the Republic day celebrations in a glorious manner. As a part of this event VFSTR has invited honourable, **DR.M.SRIDHAR ACHARYULU** (Dean, SCHOOL OF LAW, BENNETT UNIVERSITY) as a chief guest and it was started with the peace rally from A-block to U-block ground. The flag hosting was done by Dr.MYS PRASAD (vice-chancellor). Then the event was continued by the narration of chief guest's profile. The chief guest addressed the gathering, Firstly he thanked the management for inviting him to this event and explained the importance of the constitution, sacrifices made by our freedom fighters to bring this constitution into implementation which was the main reason behind 26th January as Republic Day. He recollected the quote said by the Albert Einstein "It's a great privilege to be educated and to educate others". He described about the article 19-1A 'Right to question' and suggested students to stand against the injustice by quoting the example of Jagadguru Ramanuja. The chief guest was felicitated by the internal dignitaries. Dr.M.S.Raghunathan (Registrar) addressed the gallery by wishing everyone a very happy Republic Day and he mentioned that 70 years ago we got a longest written document in world which is our Indian constitution. He congratulated the Yaswanth Reddy from the department of mechanical engineering selected as a 4th best NCC cadet. Dr. K. Satya Prasad (Rector) suggested every one to be responsible for their duties. Dr. MYS. Prasad (vice-chancellor) started his speech by greeting every

a happy republic day and he congratulated for the excellent performance of our students in the previous academic year. He created awareness among students regarding the various crises of our country like fall in GDP growth, loss of employment. Atlast he hoped that the country will be back with all job creation and long tradition of maintaining the culture and diversity of our country and also congratulated the NCC cadet Yaswanth reddy. The ranks were distributed to all the NCC cadets by the Vice chancellor, Registrar and Rector. The prizes for students who won the competitions conducted as a part of this Republic day was distributed. Special prizes for faculties who got 100% pass percentage from various departments was awarded. A stunning performance from Theatre Arts club on a patriotic theme filled everyone's heart with nationalism. Then a melodious song from Music club energized the event. It was concluded with the vote of thanks at 10:40 AM

welfare of society. He escalated the speech by saying there are diverse occasions in Gandhi's auto life story where you'll learn numerous things. He said there are two essential standards to be followed from Gandhi those were TRUTH (SATHYA) and NON-VIOLENCE (AHIMSA). He emphasized we all know god is truth and added that Gandhi re-examined and said truth is god. Coming to Non-violence, Gandhi doesn't mean non-slaughtering. He allowed that human life is outlandish without violence. It may be a rationale behind your activities that chooses activity done by you is violence or Non-violence. The guest was felicitated by the Chairman, Rector, Registrar and HOD of Biotechnology Department. The event concluded with vote of thanks followed by singing national anthem at 5:03 PM.

MOVIE IN GANDHI JAYANTHI CELEBRATIONS

Date: 30-09-2019**Venue:** Convocation Hall**Time:** 3:21 PM

Gandhi Jayanthi is the day which brought a remarkable man who defeat the British Empire and free a nation of 350 million people. VFSTR intend to spread their students with Gandhian values of preserving the environment and sustainability and the sixth day of this week celebrations took jubilant look. The theme of the day was **"Non-violence"**. If we take Gandhi's message to heart, then we must try our best to resolve differences calmly and peacefully, appreciating the views of the other side, and without inflaming passions or hardening attitudes. As part of spreading Mahatma's thoughts a movie named "Gandhi" was played. The film was started at 3:21PM. It is a 1982 epic historical based film based on the life of Mohandas Karamchand Gandhi. Clocking in at over three hours, Attenborough traces Gandhi's entire journey as one of the central figures of the Indian independence movement, from his beginnings as a civil rights in 1890s South Africa to his assassination in 1948. Nevertheless, the film grinds its way through 50 years of arrests and fasts, meetings with Hindu and Muslim Indian leaders, horrible acts of violence committed on all sides, inventive methods of civil disobedience, including the Salt March and the burning of English-made garments, negotiations with British officials and lots of gentle, yet cutting and inarguable preaching from Gandhi against British rule and later religious intolerance. In the end, India and Pakistan become independent states and Gandhi a national and then a worldwide, treasure. He spends much of his days meditatively spinning modest cotton clothes on a simple loom, but still collects followers from all walks of life with his simple yet powerful message of human dignity, nonviolence, and self-determination. The movie ended at 5:15 by filling the all heart's with principles of Bapu.

GANDHI JAYANTHI CELEBRATIONS DAY- 4

Date: 28-09-2019**Venue:** Convocation Hall**Time:** 4:00 PM

“Peace is the most powerful weapon of mankind. It takes more courage to take a blow than to give one.” These are the words spoken by the man whom we call the father of nation Bapu. He was outstanding personality of India who is still inspiring the people in the country as well as abroad through his legacy of greatness, idealness, and noble life. The fourth day of this celebration initiated with the presentation of guest profile of Mr. Addanki Sridhar Babu, (Indian Tobacco board secretary and senior IAS officer) under the auspicious presence of the dignitaries Dr. M. Y. S. Prasad (Vice-chancellor), Dr. M. S. S. Rukmini (Dean of Student Affairs), Dr. M. S. Ragunathan (Registrar), Head of Departments, faculty, and students took part in this event. The theme involved on this day is “**COMMUNAL HARMONY**”. He said that he was interested to talk on “How was Gandhi instead of what was Gandhi was”. He memorized the participation of Gandhi various revolutions and movements. He added that students need to know what made us celebrate Gandhi's birth anniversary until the 150th year. He gave his speech about the transformation of Gandhi from stubborn to brave leader. Then he continued his speech by mentioning the 10 best qualities of Gandhi and suggested the students follow them. The first one is discipline and time management. The second is disliked wasting anything and the third one is being straight to everyone. Honesty is the fourth quality which he followed until his last breath and acceptance of his own mistakes is the fifth quality. The sixth one is truth and non-violence. The guest stressed on the seventh quality which included Bapu in spending a lot of time in reading books. He mentioned the eighth quality of Gandhi as sticking towards his own principles and questioning towards wrong is one of best qualities of Mahatma. The last one is strategies made by Gandhi. He added that the strategy Gandhi implemented made freedom struggle a successful one. In this esteem he specified that Gandhi Ji knew when to start the war and cited some examples in the

UTTI UTSAV

Date: 23-08-2019

Venue: U-BLOCK (OAT)

Time: 3:40PM

Like every year, this year too VFSTR organized and celebrated the festival of Sri Krishna Janmashtami, "Utti Utsav" with pomp and gaiety. The intention involved in organizing this competition is to bring people from every religious, economic and social background together. Janmashtami is celebrated as the birthday of Lord Krishna who is considered as Lord Vishnu's eighth incarnation. On this auspicious occasion, Student Activities Council of VFSTR organized one of the most interesting sport, "Matka breaking". In this course, all the male students had geared-up with a lot of practice in building up human pyramids to reach the matki. The organizers ensured utmost safety precautions by having first aid kits and ambulance nearby. The height of the Matki made the participants nervous but the audience cheered and encouraged to boost them which helped them in succeeding their endeavor. Around 400 students from various departments in the university took part passionately in this mega event. The competition commenced with the arrival of Dr.M.Y.S Prasad vice-chancellor. Dr.K.V Krishna Kishore IT-HOD initiated the event by breaking the first butter pot. Young boys formed teams and made human pyramid in attempt to reach or break the Matki. The event was elated with some great music which saw the blast of crowd. Girl students were encouraged to take part in the competition. The event got even more delighted with the appearance of Dr.Lavu Krishna Devaraya vice-chairman at 4:19 PM who shattered the pot in 6 seconds. When all the teams concluded their participation, the winners and the runners were announced by Anirudh Maddi Assoc.Dean Student Affairs and awarded them with cash prizes. The winning team, Tony and team from ECE broke the pot in span of 10 seconds. The first runner-up, Aneef and team from ECE cracked the pot in 14 seconds and Suraj and team stood out to be second runner-up breaking the pot in 40 seconds. Everybody seemed to enjoy each moment, and the event ended by setting really a very high happy note

VARALAKSHMI VRATAM

Date: 23-08-2019

Venue: A-Block (1st Floor)

Time: 10:45AM

Varamahalakshmi Vratam is a festival to propitiate the Goddess Lakshmi, the consort of Lord Vishnu. VFSTR in view of promoting the culture of India celebrated this auspicious occasion. Goddess Varalakshmi is often known for granting boons ("Vara"). This is a significant ceremony, celebrated by women in India. It is believed that worshipping the Goddess Varalakshmi on this day is equivalent to worshipping Ashtalakshmi – the eight goddesses who stand as the emblems of Wealth, Earth, Wisdom, Love, Fame, Peace, Contentment, and Strength. Vara Lakshmi Vratam was observed with utmost devotion by the students of VFSTR. A renowned priest along with Dr. MSS Rukmini, Dean Student Affairs and Sri Lakshmi Assoc. Dean Student Affairs led the prayers. The priest performed the special prayers by chanting Vedic hymns and mantras while following rituals. They explained the significance of Varalakshmi Vratam and offering special poojas on Sravana Friday. Around 300 devotees, from various departments participated in the special prayers held in the university. Traditionally adorned girl students performed special poojas, and the annaprasadam was served with 11 types of dishes prepared with reverence to Mahalakshmi, the Goddess of wealth. A rakshai/saradu (sacred thread) is among the offerings and was adorned on the wrists of women after the pooja has been completed. This is worn in order to signify protection and piety. The pooja concluded after serving prasadam to all the students at 12:15 PM.

Timings 8:00AM to 12:00PM

Independence Day is a way to remind us of the sacrifices our freedom fighters made and thus holds a significant place among the citizens of our country. Reminiscing the sacrifices by the great leaders, VFSTR celebrated Independence Day with unprecedented patriotic fervor on Aug 15, 2019. The gamut of celebration commenced at 8:30 AM with a huge crowd comprising of students, teaching as well as non-teaching staff to mark the 73rd year of achieving freedom from the British rule. Every student contributed towards the preparations and the celebrations began with the Independence day rally. The students adorned themselves in tri-colored dresses and also waved tricolored flags to commemorate the occasion. The Incharge Vice-Chancellor, Dr.K.SatyaPrasad , addressed the gathering, appealing to their nationalistic spirit and urging them to take pride in being an Indian and fulfilling one's duty with responsibility. The Registrar, CmdeDr.M.S.Raghunathan, emphasized the role of youth today in being the true wealth of a country.

To commemorate the sovereignty of our nation, The Chief Guest, **V.V Lakshmi Narayana**, (retd. ADGP, Maharashtra) unfurled the tricolor flag and all in unison sang the National Anthem and expressed the joy of our freedom. Then he delivered his words on challenges faced by the people living in colonized India and also gave a comment on "**VIP**" culture which portrays "**V**" for **Vision**, "**I**" for **Innovation** and "**P**" for **perfection**. He requested everyone to take an oath of fundamental duties and its impact on the development of the country. As a gesture of respect, Mr. V V Lakshmi Narayana was felicitated by the internal dignitaries. On this auspicious occasion, a poster was released by the Chief guest along with the internal dignitaries on the fundamental duties, **JOIN FOR DEVELOPMENT**. All the dignitaries then took part in tree plantation to invoke peace and positivity amongst everyone. The winners and runners who participated in the competitions held on the occasion of Independence Day were awarded with tricolor medals. Later, the hon'ble Chairman Dr.LavuRathaiah, addressed the gathering, elucidating

what it took for our nation to achieve Independence and how every citizen should act in order to protect the integrity of the country. The University Taekwondo team put up an elaborate show of stunts that pumped up adrenaline in the spectators. Student reflections were delivered by DroniPraneetha which mainly emphasized on the theme 'what freedom truly means'. Later, as the day also marked RakshaBandhan, few of VFSTR'S students tied handmade seed Rakhi's to the Chief guest as a sweet gesture. This was followed by a musical rendition by the music club which staged patriotic songs that awakened everyone's feelings towards the motherland while simultaneously a patriotism themed speed painting was done by Vignan Lara's student Yashwanth. The dance club delivered a high energetic performance with patriotism filled till the brim. Finally, the theater arts club performed a skit that depicted freedom struggle by various freedom fighters in an enthralling way. The event concluded at 11:30 AM after a splendid morning of celebrating love and respect towards the nation.

Indeed, it was a day of joy, a day to love and respect our country and make it a better place for Indians to live and experience the freedom, peace, and unity in diversity.

REPORT WRITING COMPETITION

Date: 13-08-2019

Venue: U-BLOCK(AFF10)

Time: 4:30PM

Report writing is the creation of a structured document that precisely describes, and examines an event or occurrence. A report is a document that is short, sharp and specially written for a particular audience and purpose. One such competition is organized by VFSTR on the eve of independence day to indulge the patriotism in the students. During the course of the competition, Team SAC presented a short clip of a video describing **"INDEPENDENCE DAY CELEBRATIONS"** and the participants are asked to prepare a report. This opportunity was given to them to express their views on the video. 14 students from diverse departments turned up for the competition. Significant prominence of report writing encouraged VFSTR to organize this competition. The best report would be awarded during the independence day celebrations. The competition ended up at 5:30 PM.
