ABOUT KITS

KKR & KSR INSTITUTE OF TECHNOLOGY AND SCIENCES, popularly known as KITS was established in the year 2008, by GSR & KKR EDUCATIONAL SOCIETY in Vinjanampadu village, Vatticherukuru Mandal of Guntur district by Sri.Koye Subba Rao, Chairman. KITS is located away from the hustle and bustle of the city life in a scenic and serene environment spread over an expansive 10.9425 acres amidst the lush greenery of mirch and cotton fields of Vinjanampadu Village just 5 kms away from Guntur, the major city of the capital region of Andhra Pradesh. The institute has set a benchmark in providing its students the very best in terms of infrastructure and faculty. The college meticulously implements quality policy. With absolute discipline, well ventilated classrooms, multimodal teaching methodology, campus placement training, caring teachers, committed staff, proactive managing committee, vigilant security, a dedicated canteen, a fleet of buses, a mineral water plant, spacious auditorium, and outdoor grounds, power backup with 3 generators. KITS a unique professional college in the state of Andhra Pradesh. KITS is affiliated to Jawaharlal Nehru Technological University Kakinada, and approved by AICTE.

ABOUT THE IQAC

Quality enhancement is a continuous process, the IQAC become a part of the institution's system and work towards realisation of the goals of quality enhancement and sustenance.

The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. The work of the IQAC is the first step towards internalization and institutionalization of quality enhancement initiatives. Its success depends upon the sense of belongingness and participation in all the constituents of the University. It will not be yet another hierarchical structure or a record-keeping exercise in the University.

IQAC will be a facilitative and participative voluntary system/unit/organ of the University. It has the potential to become a vehicle for ushering in quality enhancement by working out planned interventionist strategies by IQAC to remove deficiencies and enhance quality like the "Quality Circles" in industries.

One Day National Seminar on "Ranking & Weightages of NIRF in Engineering Category"

17th August, 2018

Organized by

**Internal Quality Assurance Cell
KKR & KSR Institute of Technology and
Sciences, Guntur**

www.kitsguntur.ac.in

SEMINAR THEME

The National Institutional Ranking Framework (NIRF) was approved by the MHRD and launched by Honourable Minister of Human Resource Development on 29th September 2015.

This framework outlines a methodology to rank institutions across the country. The methodology draws from the overall recommendations broad understanding arrived at by a Core Committee set up by MHRD, to identify the broad parameters for ranking various universities and institutions. The parameters broadly cover "Teaching, Learning and Resources," "Research and Professional Practices," "Graduation Outcomes," "Outreach and Inclusivity," and "Perception".

Salient Features:

- 1 Methodology is based on developing a set of metrics for ranking of academic institutions, based on the parameters agreed upon by the core committee.
- 2 These parameters are organized into five broad heads, and have been further elaborated into suitable sub-heads. Each broad head has an overall weight assigned to it. Within each head, the various sub-heads also have an appropriate weight distribution.
- 3 An attempt is also made to identify the relevant data needed to suitably measure the performance score under each sub-head.
- 4 The overall score is computed based on the weights allotted to each head. The overall score can take a maximum value of 100.

Topics

1. Teaching Learning and Resources (W-0.30)
2. Research and Professional Practice (W-0.30)
3. Graduation Outcome (W-0.20)
4. Outreach & Inclusivity (W-0.10)
5. Perception (W-0.10)

Resource Persons:

Dr. M. Ramakrishna
Dean, IQAC and Professor

Dr. K. Balamurugan
Associate Dean, IQAC &
Associate Professor.

Mr. U. Janardhan Reddy
Associate Dean, IQAC &
Assistant Professor

Ms. J. Prathiba
Associate Dean, IQAC &
Assistant Professor

All correspondence may be addressed to:

Dr. G. Murali
Coordinator, IQAC,
KKR and KSR Institute Of Technology and Sciences
Vinjanampadu, Vatticherukuru Mandal,
Guntur, Andhra Pradesh 522017
Email: m_gudipati@yahoo.com
Mobile: 9848508545

Chief Patrons:

Sri K. Subba Rao
Chairman, KITS, Guntur

Sri K. Sekhar
Secretary, KITS, Guntur

Patrons:

Dr. P. Babu
Principal, KITS, Guntur.

Dr. K. Haribabu
Director, KITS, Guntur

Convenor:

Dr. G. MURALI
Coordinator (IQAC)

Executive Committee:

Dr. M. Ravindra Krishna, Professor & HoD, Civil Engg. Dept.

Dr. Moorthy Veerasamy, Professor & HoD, EEE Dept.

Dr. K. Rama Kotaiah, Professor & HoD, Mech. Engg. Dept.

Dr. Dr.Sk. Sadulla, Professor & HoD, ECE Dept.

Dr. Chittineni Aruna, Professor & HoD, CSE Dept.

Dr. Aravind Nuthalapati, Professor, S&H. Dept.

Dr. M.Vijay Kumar, Professor & HoD, MBA. Dept.

ABOUT J E C R C

JECRC University has its campus in Jaipur the capital city of Rajasthan and the famous tourist and business city in north-western India.

The 32-acre JU campus combines unique classical architecture and thoughtful layout and landscaping to create a perfect learning ecosystem. The campus is located around the prime industrial and institutional hub of Jaipur and is well connected with all parts of the city. JECRC University is driven by the spirit of innovation-led research. This is spelt out in infrastructure as well as practices.

The multifaceted research encompasses subject-specific exploration as well as the contexts of the business environment in which our students will operate and perform. JECRC is known for a strong research culture and close industry linkages.

JU aims at creating valuable resources for industry and society through its interventions in creation of research and innovative culture, academic and professional enhancement and cultural enrichment..

ABOUT THE IQAC

Quality enhancement is a continuous process, the IQAC become a part of the institution's system and work towards realisation of the goals of quality enhancement and sustenance.

The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. The work of the IQAC is the first step towards internalization and institutionalization of quality enhancement initiatives. Its success depends upon the sense of belongingness and participation in all the constituents of the University. It will not be yet another hierarchical structure or a record-keeping exercise in the University.

IQAC will be a facilitative and participative voluntary system/unit/organ of the University. It has the potential to become a vehicle for ushering in quality enhancement by working out planned interventionist strategies by IQAC to remove deficiencies and enhance quality like the "Quality Circles" in industries.

One Day National Seminar on "Revised Accreditation Framework of NAAC"

3rd January, 2020

Organized by
Internal Quality Assurance Cell
JECRC University, Jaipur

www.jecrcuniversity.edu.in

SEMINAR THEME

NAAC primarily focuses on assessment of the quality of higher education institutions in the country. The NAAC methodology for Assessment and Accreditation is specifically designed taking into account the good practices of Quality Assurance (QA) agencies across the world and consists of an initial self-assessment by the institution and a subsequent external peer assessment organized by NAAC.

The Revised Assessment and Accreditation Framework was launched in July 2017. It represents an explicit Paradigm Shift making it ICT-enabled, objective, transparent, scalable and robust. The Shift is:

- * from the previous qualitative peer judgment to data based quantitative indicator evaluation with increased objectivity and transparency
- * towards extensive use of ICT confirming scalability and robustness
- * boosting benchmarking as quality improvement tool. This has been attempted through comparison of NAAC indicators with those of other international QA frameworks
- * introducing the *System Generated Scores* (SGS) with combination of online evaluation (about 70%) and peer judgement (about 30%)
- * introducing Pre-qualifier before the peer team visit, as 25% of the SGS.
- * in revising several metrics to bring in enhanced participation of students and alumni in the assessment process

Topics

1	Criterion -I	Curricular Aspects
2	Criterion -II	Teaching Learning and Evaluation
3	Criterion -III	Research Innovation and Extension
4	Criterion -IV	Infrastructure and Learning Resources
5	Criterion -V	Student Support and Progression
6	Criterion -VI	Governance Leadership and Management
7	Criterion -VII	Institutional Values and Best Practices

About the Resource Persons:

Dr. M. Ramakrishna, Dean, IQAC and Professor in Mechanical Engineering, with a vast experience in handling quality aspects and exposure with accreditation bodies like NAAC, NBA, UGC, AICTE, ISO.

Dr. V Srinivasadesikan, Associate Dean, IQAC and Associate Professor in Chemistry. He is expert in computational chemistry and visited countries like Taiwan, USA, S.Korea. He is involved in activities related NAAC, NBA, NIRF.

Dr. N. S. Sampath Kumar, Associate Dean, IQAC and Associate Professor in Biotechnology. His research area includes Bioactive compounds and biomaterials, for the last two years he is looking after NAAC, NBA, AICTE, UGC 12(B).

Ms. Y. Jyothi, Associate Dean, IQAC and Assistant Professor in Mechanical Engg. She is actively involved in IQAC activities such as NAAC, NIRF, AICTE, UGC 12(B).

All correspondence may be addressed to:

Prof. Avireni Srinivasulu

Dean (Academics and R&D),
JECRC University Campus: Plot No.IS-2036 to 2039,
Ramchandrapura Industrial Area, Vidhani, Sitapura
Extension, Jaipur - 303905 Rajasthan, India.

One Day National Seminar on

"Revised Accreditation Framework of NAAC"

15th June, 2018

Organized by

Pedanandipadu College of Arts and Sciences
Pedanandipadu, Guntur, PIN-522235

ABOUT PAS COLLEGE

Pedanandipadu College of Arts and Sciences is situated in Guntur in Andhra Pradesh state of India. Established in 1976, it is accredited from AICTE and it is affiliated to Acharya Nagarjuna University. PAS, Guntur offers 12 courses across 5 streams namely Arts, Science, Commerce and Banking, IT, Management and across 5 degrees like BSc, BA, B.Com, MBA, MCA. PAS campus is spread over 10 Acres. Hostel facility is not available for its students. Additional campus facilities such as Math Lab, Canteen, Computer Lab, Library, Medical Facilities, Cls. Room, Music are also there.

SEMINAR THEME

NAAC primarily focuses on assessment of the quality of higher education institutions in the country. The NAAC methodology for Assessment and Accreditation is specifically designed taking into account the good practices of Quality Assurance (QA) agencies across the world and consists of an initial self-assessment by the institution and a subsequent external peer assessment organized by NAAC.

The Revised Assessment and Accreditation Framework was launched in July 2017. It represents an explicit Paradigm Shift making it ICT-enabled, objective, transparent, scalable and robust. The Shift is:

- * from the previous qualitative peer judgment to data based quantitative indicator evaluation with increased objectivity and transparency
- * towards extensive use of ICT confirming scalability and robustness
