COMPREHENSIVE REPORT

ON

Programs conducted by GATE TRAINING for the students registered in 2019-20

- 1. Although Artificial Intelligence dramatically improves our world in many ways, there are notable concerns regarding the forthcoming impact of A.I. on employment and the workforce. There are predictions talking about millions of unemployed people in the next decades primarily due to the impact of Intelligent Automation and A.I. systems. In such scenarios, young graduates must equip themselves with multitude talents to overcome the uncertainty and secure a meaningful job which not only provides avenues to contribute to the development of society and but also for professional growth. A student seeking admission in M. Tech/M.S in IISc / IITs / NITs and other universities is advised to give the GATE exam as these institutes demand a good GATE score. By taking GATE, students who were unlucky in IIT JEE get one more chance to study in IISc / IITs, provided they score well.
- 2. The coaching for such competitive exams has to be planned comprehensively and meticulously. Keeping in the mind the demands of the GATE Exam and cut throat competition, a 154 hours coaching plan is contemplated to train the students of VFSTR.
- 3. This coaching program is floated to 3rd year BTech students it will take at least one complete year to complete 154 hours of coaching without impacting their regular academic work.
- 4. The program was conducted from June-2019 to Dec-2019. A total of 82 highly motivated students were registered for program.
- Keeping in view the demands and pattern of the examination, comprehensive coaching was delivered for online examination
- 6. Various components such as aptitude, mathematics and engineering subjects was planned and executed without any problem.
- 7. Dr Y Srinivasa Rao (All GATE rank 88, 2008) gave his inputs to strengthen the program and to motivate students.
- 8. Out of 154 hours of planned program around 82 hours of coaching was handled by the experts from reputed training institutes.
- 9. Special guest lecturers were organized by GATE ACADEMY, TIME institutes from the different parts of the state.
