

Webinar on “Overcoming Challenges in the Formulation of Lipid Based Nanoparticles and Their Present Applications”

On 5th June, 2021, Faculty of Pharmacy, VFSTRU, in collaboration with Vignan Pharmacy College, Vadlamudi, Guntur Dist., A.P., Vignan Institute of Pharmaceutical Technology, Visakhapatnam, A.P., Vignan Institute of Pharmaceutical Sciences, Hyderabad, Telangana has organized a National Webinar on “Overcoming Challenges in the Formulation of Lipid Based Nanoparticles and Their Present Applications”. Dr. Srikanth Kakumanu, Adjunct Faculty Research Scientist, University of Massachusetts Lowell, USA & Regional Sales Director-NA East, Precision Nano Systems Inc., Chelmsford, Massachusetts, USA has been invited as the resource person for the webinar. Dr. SrikanthKakumanu shared his research experiences in the field of Lipid based Nanoparticles and, enlightened the faculty and student participants on the need for liposomal and lipid nano-particle based delivery of drugs and biologics. 341 participants enrolled for the webinar includes faculty, students and research scholars from various institutes and are benefitted from the same.
