everyone by the courage to present students as the future of India and congratulated everyone for 85% placements.

Dr.LavuRathaiah, Chairman in his absence sent the message and it was conveyed to the audience by Mr. M.Anirudh, Associate, Dean Student Affairs.

Word of Chairman:

In the last 72 years India has progressed tremendously in some areas like agriculture through green revolution white revolution. Blue revolution. In the same way space research and production large numbers of professionals doctors engineers etc. Even then we are not happy because of autocratic governments corruption nepotism etc. For all this solution is in your hands

Apart from gaining knowledge you have to develop right citizenship to save the country and yourselves

- You have to participate voting
- Exercise the vote above community and religious levels
- Follow rules and regulations of the society
- Obey the law of the land
- Respect teachers , parents and elders

Special Activities Conducted:

- The preamble of the constitution was read by students and its importance was conveyed to the students.
- Amazing patriotic songs were sung by students of music club with tremendous devotion towards the nation.
- Theater arts club performed an act on right to education for every person.
- Team Dance came up with a performance depicting the sacrifices of the soldiers towards the nation.
- Incredible Pyramid formations were done by Sports students.
- Distribution of ranks for NCC cadets
- Prize distribution to the winners participated in the oral and writing competition of preamble along with debate and and elocution competitions.

The event concluded with visit of the "Veer Gatha" Gallery by the dignitaries which displayed details of "Six Martyr Soldiers" who sacrificed their lives serving the country.
