“WE SHOULD GIVE BACK TO SOCIETY”

says **Mr. Lavu Anjaiah Chowdary**,

President of TANA

during his Special Lecture on

Prospectus of Higher Education at USA and Career opportunities

As a part of career enhancement program, to create awareness on the measures to be taken for pursuing higher education in USA and the Career opportunities after that. The office of Dean Student Affairs has organized a special invited talk by Sri LavuAnjaiahChowdary, President of Telugu Association of North America (TANA) on 22nd December 2021 at SangamamSemianr Hall. A total of 435 students have attended the session.

Across the world higher education is considered a privilege that many people aspire to have, Higher education is necessary to perk up individuals' life, develop society, enhance ones' social skills, and provide vast opportunities for individuals. Nowadays a person with a better degree is expected to be awarded a better salary. As we know there is youth all over the world from our country achieving a lot, with proper guidance, there is a lot ahead for the students to achieve. To fill this gap, a special session is planned with Sri

LavuAnjaiahChowdary to have a precious talk on prospectus of higher education. He joined as a TANA member and had done many service activities. He always stood in the forefront to help the Telugus in North America and took initiatives in starting various social service activities.

Mr. LavuAnjaiahChowdhary, President, TANA (Telugu Association of North America), called on students to give back to the community as much as possible while serving in order to rise to higher positions in life during his lecture. He conveyed his enormous happiness for his presence to guide everyone about their higher education opportunities at USA and how TANA would help the students of Telugu states in guiding them through the process. Deciphered about the TANA work and numerous effects made during a pandemic, helped several students in the US. He said that students should adopt the 3D (Discipline, Determination, Dedication) formula. All students were told to be mentally strong, to respect family ties, to adhere to moral values, and to serve the community. He then revealed the security tips that students should take when coming to the US. And the process of getting the I-20. Dr. LavuRathaiah, Chairman explained about the importance of higher education. The session ended with a Q&A with students regarding various doubts and concerns they have related to the admission process.
