ABOUT THE VFSTR

Vignan's Foundation for Science, Technology & Research Deemed to be University is located in the serene environs of Vadlamudi on the Guntur- Tenali road, about 14km from Guntur and 11km from Tenali. The University is a virtual heaven of rural quiet and idyllic beauty. The splendid avenue, imposing buildings and sprawling play grounds, and the verdure in and around the campus make it one of the most preferred choices for the aspirants of Engineering studies. Since its inception in 1997, the institution has been striving to promote high standards in technical education to aid in the career building of the many students who step into its portals. Vignan's impressive academic credentials stand a testimony to its commitment to offer quality education. The University campus is Wi-Fi enabled and connected to external world through National Knowledge Network (NKN).

ABOUT THE DEPARTMENT OF MECHANICAL ENGINEERING

Department of Mechanical Engineering, established in the year 1997 and 'NBA' Accredited from 2020-23. The department takes responsibility in organizing guest lectures, seminars, workshops and training programs with the help of engineers and academicians of national and international repute to help students, research scholars and faculty members to keep abreast with the latest developments in the field of Mechanical Engineering. Students are made to embolden future technology by encouraging them to think futuristic by catalyzing research and research related activities through the Research and Development (R&D) cell. As a result of the department's forthright Research activities, numerous students from the Department of Mechanical Engineering have placed their foot prints in many International and National Companies.
